Earth Day 2008 Activities

April 24, 10 - 4: Join GWL, local youth and community partners in our annual city-wide beautification event. We'll be ushering in the spring with park and alleyway cleanups.

April 23: The Timberland Company will be coming to Lawrence again to build new community garden beds in South Lawrence.

For more information on these events, or to arrange your own cleanup or corporate event, contact Kathryn at 978-974-0770 or kptrybylski@groundworklawrence.org.

Aside from the above, we've started seeds for the community gardens, had a great start to our *Eat Right/Move More* program with 5th and 6th graders at Movement City, are embarking on a Low-Impact Development Study for Lawrence's alleyways and we'll be hiring for our summer youth positions soon. We hope you've enjoyed this eNewsletter and we look forward to a successful 2008!

Springily,

Groundwork Lawrence
